Thinking about adoption?

Every child deserves a loving home. We urgently need adopters for children of black Caribbean and black African heritage, older children, sibling groups and children with complex needs.

To find out more, come along to our information session.
(Refreshments will be provided)

We are a partnership of six local authority adoption agencies:
Barnet, Camden, Enfield,
Hackney, Haringey and Islington.

Adoption provides a child with a new family and a safe and secure future.

This information session will give you the chance to talk to adopters and social workers in an informal setting.

There will be a presentation to explain how the assessment process works and the support you will receive from Adoption North London. Families who have adopted children of black Caribbean and black African ethnicity, siblings and children with complex needs will be there to share their story.
